

Men Bear Responsibility

How do you know if you are a customer of a forced prostitution?

Beware if you notice:

- Intimidation and disorientation
- Fulfilment of wishes without negotiation
- Locked rooms
- That the woman seems closely guarded
- That she is escorted by a third party
- Signs of maltreatment
- Signs that show that the person is a minor

Men Can Help

What can you do if you become suspicious or are directly turned to for help?

- Call our hotline (anonymously): 0180 2006 110
(calls charged in a local rate)
- Find out more:
www.stoppt-zwangsprostitution.de
- Contact a counseling centre for victims of trafficking
- Get advice from the relevant police department
(anonymously)

Take seriously every call for help that is made to you.
